Having just returned from the 2022 Branson Music Fest, I would like to express my sincere appreciation for any and all who have labored behind the scenes to have this event turn out without a flaw! This is the 2nd year I've attended, and it is most amazing! I have brought tours to Branson since the late 90's and we always have a very full schedule, however, there is no way we would ever be able to see so many amazing entertainers in the 8 days we are there! Incorporating the Music Fest into our itinerary allows us to see, hear and enjoy a multitude of other acts and performers! I have my favorites of course, however, being able to see other entertainers gives us an opportunity to perhaps add a new favorite for future tours! THANK YOU to all who have invested their time and energy to bring this amazing weekend to fruition!
