Testimonials

Pam S. - Burleson, TX

I was introduced several years ago to BT&T, via my neighbor. We visit Branson twice a year and before our visit, I call & ask if there are any new shows. BT&T previews new shows, so they are current and can make honest recommendations. We have select shows we always book and they can accommodate any specific requests (aisle seating, midway), AND our tickets are delivered to our RV site the day of our arrival. We have also used BT&T to book a condo during the Christmas holiday. To us, having BT&T means we are well taken care of in Branson and have an inside connection!! All the agents at BT&T are very friendly and accommodating!! I don't hesitate to recommend BT&T to my friends!

Melissa & Michelle - Terrific Trips By Melissa in OK

Terrific Trips by Melissa has consistent positive experiences working with Branson Ticket & Travel. Their attentiveness to our clients' needs and dedication to creating memorable trips leaves them unmatched and makes them our preferred agency for planning both large and small itineraries.

Keith M. - SeAirLan World Tours in MO

A few years of absolutely the best service from this extremely professional and knowledgeable trip planner has been a total pleasure for our Tour Company! Our clients rave about the high quality and fun filled tours that we provide – thanks to the diligent trips Toyea creates for us! Ms Youngblood is respectful and receptive of our desires in coordinating our input with her expertise! I would highly recommend her services to anyone and everyone – except our competitors!

Kathleen Garrett - Spanish Cove Retirement Village

Toyea played a key role in helping Spanish Cove make history. We became the first retirement community in our area to take a 10-day flight-based trip, and it was because of her expertise and dedication that everything ran smoothly. From coordinating flights to ensuring every detail was handled, she made this groundbreaking journey a success!
